

SIROCCO LED CEILING FAN

AMBIENT DIMMABLE LED LIGHT • ULTRA EFFICIENT • HIGH PERFORMANCE

CREATES THE PERFECT MOOD.

The Sirocco LED is truly one of a kind, setting new standards in functional elegance. With a generous 1.5m blade span and whisper-quiet motor, this fan is perfect for larger bedrooms, lounges, or airy living spaces that need more than just a breeze – a statement piece to cool and brighten up your space. Delivering silent performance and elegant design, the Sirocco LED is the perfect blend of form and function.

Suitable for all climatic environments.

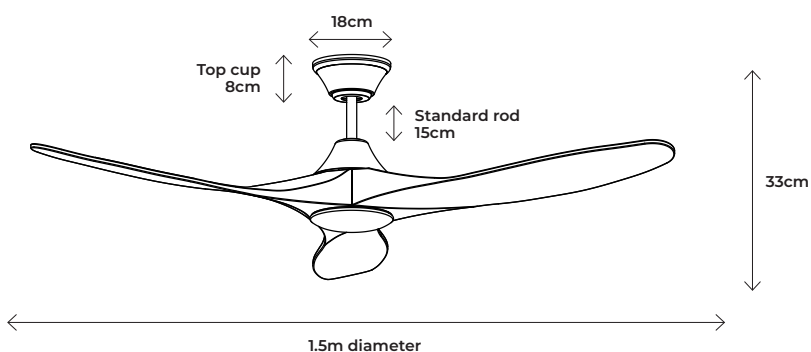

AVAILABLE IN

Satin White with White metal parts, Slight Walnut with Matt Black and Natural with Matt Black.

1.5m diameter.

MEASUREMENTS
